

Sunset Volunteer Fire Department

Standard Operating Guidelines

Mission Statement

It is the mission of the Sunset Volunteer Fire Department to provide the best possible care to the people that live, visit, and travel through the area served by the Sunset

Volunteer Fire Department. The Sunset VFD will provide response and care to all without prejudice to race, color, creed, religion, or sexual orientation. We are constantly striving for improvements in the care delivered, the quality of membership, and the quality of training and education provided to our members, patients, and members of the community.
